DESCRIPTION OF COURSE

Throughout studio based projects & observational studies demonstrated by the tutor, you will be focusing on:

- colour mixing (monochrome, similar colours & complimentary colours)
- layering (wet on dry, wet on wet)
- glazing (changing the colour by a succession of layers)
- composition (balancing the image on appropriate format)

With these sharpened skills you will be able to work on location, in the inspirational Waterperry Gardens.

This is a mixed ability class - all levels welcome.
